## **TERMS**

Prices are f. o. b. East Hampton, delivery and packing extra unless otherwise arranged at time of sale. On orders amounting to \$25 or over we deliver free to points within a 25-mile radius of East Hampton.

## **GUARANTEE**

All our stock is guaranteed healthy, free from disease, and true to name. In the event that you find any of our plants otherwise, a satisfactory adjustment will be made. Of course, it is understood that we cannot be held responsible for anything that may happen to stock after it is delivered to the customer in good condition and as specified above. If reasonable care is given plants and suggestions for planting followed, if not planted by us, your plants should grow and thrive as expected.

## **SERVICE**

We maintain a complete personnel, equipped to execute any type of landscape contract, no matter how large or small, and have experienced laborers available by the day.

## **FLORIST SERVICE**

Our stock of bedding plants, annuals, etc., is always complete, and our membership in the Florists' Telegraph Delivery Association enables us to execute flower deliveries in any part of the world. A wide variety of cut flowers are always available and any type of decorations, funeral work, etc., are always carefully and artistically executed.
